August 17, 2020

Good morning!!

This will be the last email going out that includes the 2019-20 members. If you haven't sent in your membership application, please do it this week.

## **Membership**

We are processing applications and we switched banks, so you may have noticed a bit of delay with your check being cashed. We are working on it - don't worry if you sent it and it hasn't gone through yet!

## **Upcoming events**

We have 60 cute bags to give to members! Please stop by on **Tuesday Aug 11 between 630-7pm at John Ryan's in Tewksbury**. Some will be staying afterward to socialize, so if you can't get there by 7 find our table inside. You can bring your membership application to the meet & greet.

RSVP here: <https://forms.gle/xBT66q5aYSNjUzH8A>

## **August 13 Workshop 630PM - Online!**

Workshops are free for all this year. If you know an FCC provider who is considering joining, please share the link with them. We have room for up to 99 participants - but certificates are for members only. Sign up NOW if you want to ensure your spot.

PLC: Post COVID Engagement & Playfulness for children with and without special needs

Guest: Aditi Subramaniam, MSPCC/ MassAIMH Partnership Manager

Description: Discuss methods to foster healthy, playful, and sane relationships with our children. Brainstorm for environments and activities that are playful and fun while maintaining social distancing and sanitation requirements.
