Hi everyone!

May 28, 2020

I hope this note finds you and your loved ones happy and healthy.

## **End of Year “Banquet”**

While we are disappointed that we will be unable to meet in person and celebrate the end to the 40th membership year for FCCA, we are still going to host an end of year event.

**Please join us on Thursday, June 18 at 630PM** for an end of year board meeting, which will include voting on the association bylaws and induction of the 2020-21 FCCA Board. The general meeting will be followed by a regular board meeting to begin planning for the 2020-21 membership year.

Bylaws can be viewed here:

Zoom meeting info will be emailed the week of June 18th.

## **Good News!!**

We are grateful that we have so many people who are able and willing to step in and help the FCCA continue to function during this unprecedented time. We are doing our best to ensure that you will continue to receive the support, training, and networking that is offered through the association during any other year. We have several members who were nominated and accepted their position, unopposed, to the FCCA Board for the 2020-21 membership year!

Despite the fantastic news that we have a great mix of returning and new members to the FCCA Board, we are in desperate need of someone to volunteer for the President Role. With a full board, a president will chiefly be responsible for coordinating with other board members, newsletters, and running board meetings. It is a great year to try out or return to the board!! Please contact us immediately if you are considering volunteering. **The president role MUST be filled in order for the 2020-21 membership year to begin.**

*Sincerely, The Family Child Care Association Board*
