Please sign up early! This workshop includes

supplies and we need to provide an accurate count of attendees to the presenter.

Still thinking about joining the board?

We are grateful to have a few new hands on deck, but are still **looking for a workshop coordinator**. This position involves contacting presenters, getting the details for booking them, and finalizing those plans following approval from the board. We have a great list of presenters to choose from and love new ideas for workshops!! Please consider volunteering for next year.

CPR/First Aid

We had a small turn out for CPR/FA with Ken Brooks in April. The next in person class will not be until the fall. Please make sure to double check your expiration date and sign up for the next class if you need it. Usually FCCA does CPR/FA classes in September and April.

Happy Teacher Appreciation Week!

Thank you for all you do for the children and families in our communities.
