To Whom It May Concern:

This document certifies that _____, a licensed family child care provider, has ongoing communication with other family child care providers in the community to exchange information and resources. The educator coordinates with other family child care providers in the community and develops sharing agreements to maximize resources, services and professional development opportunities.

This provider attended events hosted by the Family Child Care Association for the purpose of exchanging information, resources, services, and professional development opportunities on the following dates:

Date of Event	FCCA Event	FCCA Board Member Signature

The FCC Provider signature below certifies that the above dates and verification signatures are accurate. FCCA shall not be liable for the name provider's accuracy, DEEC licensing requirements, or QRIS requirements. This document is valid only for dates occurring on or before the embossed seal is applied.

FCC Provider Signature _____

FCC License Number _____

Date of embossed seal ___ / ___ / ___

FCCA QRIS letters that are not signed, dated, and embossed by a current FCCA board member are not valid for any purpose. Authenticity is only valid with embossed signature of a current board member.
